General Info:

- The DESTINATIONS list below is only a sample of the many interesting travel locations in the US.
- TRAVEL - n - TIPS is intended to be a starting point for your personal travel plan. To create your own personal travel plan, adjust this list to fit your personal interests and family situation using the internet sites below and via google.com.
- Because of the distances and travel time, some trips would be more convenient traveling both by air and car.
- Visit <https://www.mapquest.com/> for travel routes, distances and travel times.
- For a free travel planning tool via internet, visit: <https://www.inspirock.com/>
- If you have a really great travel experience, please let us know at cljasper@hotmail.com and we will add it to the list.
- If you are not used to driving in snow, check the road conditions in Kansas, the Rocky Mountains and Northern states when planning your winter travel. Check the weather or DOT (Department of Transportation) web sites by state.
- When in Montana and Wyoming, keep your car gas tank full. Gas stations can be hours apart.

BUILD YOUR PERSONAL TRAVEL PLAN

1. Select the sites you want to visit on your trip.
2. Estimate the time you want to spend at each location.
3. Add the air and auto travel times and distances between locations.
4. Adjust 1, 2 and 3 above to match your total travel time for your trip.
5. Wash hands, use masks, distancing and perhaps eye shields to protect from Coronavirus.
6. Travel and enjoy.
